Note:

2016-17 teacher training remains in Moodle. If you administered the DLM Assessment in 2015-16, your information will transfer into Moodle. However, you will still need to recertify by taking the *Returning Teacher Certification* course. New teachers will need to be enrolled in the Educator Portal. Once they have validated their information AND accepted the Terms of Agreement, accounts will be created for them in Moodle. They will need to complete the *New Teacher Certification* course. Please allow up to 3 days for the new teacher information to transfer from the Educator Portal to Moodle.
