Below is the text that a teacher will use to describe the images shown on each screen.

- If language is provided, read the description exactly as it appears on this document, after reading the text on the screen.
- “Do not describe” means do not describe the image at all. Doing so may cue the answer or alter the test.
- “N/A” means there is no image to describe or that there is no item.

**Only read what is in bold font.** Do not read the words that are not in bold (like “stem” or “option”).
