Complete the chart below to determine the DLM participation rate for the 2021-2022 School Year.

| Calculate the DLM participation rate for each subject area as follows: | Language Arts Literacy | Math |
|--|---------------------------|------|
| Line 1: Enter the total number of students taking the DLM at all tested grade levels. Include the resident students with disabilities educated within the district and those in out-of-district placements. | | |
| Line 2: Enter the total number of general and special education students taking a state assessment during the spring of 2022. This includes students taking the DLM and NJSLA. | | |
| Line 3: Divide the number in line 1 by the number in line 2 and enter the number on this line. | | |
| Line 4: Multiply the number in line 3 by 100 and enter the number on this line to determine the district's DLM District wide Anticipated Participation Rate. | % | % |

Note: If the percent in both cells in line 4 is 1.0 percent or less, no action is necessary. If the percent in line 4 is greater than 1.0 percent for either content area, complete the justification section below and submit to NJDOE.

Justification

Please provide a brief narrative justifying the need to assess more than 1% of students using the alternate assessment.

Verification

By submitting this application, the district verifies that all students participating in the DLM meet the New Jersey Department of Education [participation criteria](#).
